Keys Notes to know before tryouts:

- Practices will start in December.
- Season will be December – Mid February (Depending on what team your child is playing)
- There will be Elite, Competitive, & Rec Level teams. Our mission is to put your child on a team that will work best for THEM.
- Uniform sizing, projected game schedules, parent meetings, fundraising details and more will be handled at tryouts.
- As for practices, we will not know your practice time and day until we set teams and know who the coach is.
- Do NOT let money be a reason for your child to play. We will be fundraising and seeking sponsorship/donations.
- For more information, please email / nextlevelsportstx01@gmail.com with any questions or concerns.
